Respected Sir,

We humbly beg to bring the following few lines to your honour's kind consideration:-

That we are the poor Ryots residing in a hamlet by name Kumbardoddy Dakala village to Sugganahalli, Kasaba Hobli, Clospet Sub Taluk.

That there are only 20 houses in the hamlet out of which nearly half the people are non-agriculturists and earn their livelihood by engaging to cooly etc., and the rest are agriculturists.

That owing to the timely failure of the rains during the past 8 or 10 years we are put to much inconvenience to mairtain our families besides paying kandayam to Government.

That we feel very difficult to discharge kandayam to Government every year owing to the failure of crops which is only the source for our maintenance.

That while such being the case, our poor hamlet consisting of only 20 houses has been included in the village Panchayet's Scheme and added on in the Asli village Sugganahalli and the Union house tax has been levied on us.

That we were not aware of this fact till now when we received a novice from the Chairman of the Sugganahalli Village Panchayet demanding three years' house-tax which comes to Rs.64/0/-

That if we were aware of this fact long before i.e., when the taxes were imposed, we would have approached your honour to seek redress.

That owing to our misfortune none of the District, Taluk and Village Panchayets officers were pleased to hear our grievances

and go by the name of the Asali village for all Revenue Administration and there is no provision in the Local Boards and Village Panchayet Regulation to exclude such Dhakala villages.

3. That the fact of this village being constituted into Village Panchayet since 1918 has, it is ascertained, been made known to the people every year. Besides one Byregowda of Kumbardoddi is a -- member of the Panchayet and this Panchayet was dorment and not active in collection work&c., as was the case with many other Village Panchayets in the District. It is only since the last reconstitution that these are becoming active and trying to do some work. As some pressure is being put upon them for active work, people from different quarters were and are approaching Government and the District Board with requests for exclusion of their villages from the operation of the Village Panchayet Regulation. Similarily the residents of this village also, headed by one Thimm--aiya have approached Government and the District Board.

4. The Chairman, Patel and other residents during confidential enquiry have deposed that these people were made known by beat of TomTom, to pay up the house taxes and that four persons viz., Kencha alias Thimmaiya, Kempegowda bin Maregowda, Channamara bin Doddegowda and Kempaiya bin Doddegowda wilfully refused to pay until coercive measures are adopted, and insisted upon the service of notices on them, and induced others also not to pay on the ground that they would approach Government and get the village excluded from the Village Panchayet.

5. Thimmaiya a leading Jameendar of the village had induced many others not to pay the taxes.

6. The Chairman having failed in all his attempts to recover the dues, thought it necessary to adopt measures as per rules to recover the same.

7. Accordingly action has been taken against all the four persons as detailed in the enclosed statement.
